

**HOT ROD HOLIDAY
VALVE COVER RACING**

Saturday, November 18, 2017 at 2pm
Sponsored by the Ozark Trails Studebaker Drivers Club

THE RULES

1. Valve cover can be from a V8, straight 6, or 4 cylinder engine and must be from an American made automobile.
2. Wheels must affixed to solid suspension only. No springs or shocks.
3. No moving parts except for wheel rotation.
4. Outside overall width of completed racer cannot exceed 10.5 inches.
5. Total length of racer cannot exceed 30 inches.
6. Wheels cannot extend beyond the front or rear of valve cover.
7. Four wheels contacting the track are mandatory; no more no less.
8. Racer may be painted or decorated in any manner.
9. Race weight cannot exceed 8 pounds.
10. All weights must be fixed and securely mounted.
11. No liquid filled weights.

THE RACE

- This is drag race.
- Gravity race, no propulsion of any kind.
- Practice run will be allowed and inspection.
- Top three fastest valve covers will be awarded a trophy and the slowest will win a prize!

No entry fee to race, just bring a valve cover and be ready to have some fun.
